Times are estimates and subject to variance based on weather, road conditions and traffic

### FLAG STOPS/FLAG DROPS

Maximum Consideration is given to Safety. Flaggers must give sufficient notice to Drivers by indicating their presence and desire to be picked up by being clearly visible and having a raised arm or Flag. Simply being on the side of a road will not guarantee a driver will stop. The driver will give consideration to the visibility in both directions, road conditions and Flagger's sufficient notice. Driver has sole discretion in making a flagged stop or drop.
