

# Training Announcement

Fire Prevention and Control

<b>Course Title:</b>	<b>BASIC PASSENGER VEHICLE RESCUE</b>
<b>Location:</b>	ROCK HILL FIRE DEPARTMENT
<b>Course Dates</b>	<b>Start Date:</b> AUGUST 20, 2026 @ 6:30PM <b>Continued Dates:</b> 8/27 @ 6:30PM <b>SUN.</b> 8/30 @ 8AM (3 units)
<b>HOURS</b>	<b>15</b>

### Course Description

This course contains two levels of skills identified in the 2021 edition of NFPA 1006 Chapter 8 Common Passenger Vehicle Rescue Awareness and Operations Level. The Awareness level focuses on the Rescuer that responds and can identify the hazards present and support the operations level rescuer. The Operations level requires the rescuer to enter the hot zone and perform the rescue in Common Passenger Vehicles.

**FOR:** All Emergency Response Personnel
