<b>Course Description</b>	
<p>The Modern Fire Behavior Course is designed to address the cognitive knowledge aspect of NFPA 1403's new competencies and has been titled in line with today's industry terminology. When NFPA last updated its Conducting Live Fire Training Standard, a number of "Modern Fire Behavior" competencies were added to the original eleven, this course utilizes those "required training topics" as its road map and attempts to better prepare firefighters for the fire behavior they encounter today.</p>
