

ADA Drivers * Bethel Woods Center for the Arts Bethel, NY

Overview: Bethel Woods Center for the Arts is seeking Part-time Seasonal ADA Drivers in Bethel, NY. ADA Drivers are responsible for providing safe and courteous transportation services for guests with disabilities, ensuring comfort and accessibility throughout their journey to and from the venue. As an ADA Driver at Bethel Woods Center for the Arts, your role is integral to our commitment to inclusivity and accessibility. You will serve as a beacon of support and assistance for guests with disabilities, ensuring their seamless transportation experience to and from our venue. With empathy and professionalism, you will uphold the spirit of community that defines our historic location, providing personalized care and attention to passengers' unique needs. By embodying the values of respect, compassion, and accessibility, you will contribute to creating a concert experience that is welcoming and inclusive for all, carrying forward the legacy of Woodstock's message of peace, love, and unity.

Qualifications:

Valid driver's license.

Clean driving record.

Understanding of ADA regulations and requirements related to transportation services for individuals with disabilities.

Empathy and patience when assisting passengers with disabilities.

Excellent communication skills and ability to interact professionally with passengers.

Physical ability to safely assist passengers with mobility devices and other needs.

Previous experience as a driver for individuals with disabilities is preferred.

Requirements:

Drug Screening

Own Car

Shift and Salary; This is a Part-Time Seasonal position, Monday-Sunday, 20 - 30 hours, shift varies, \$18.00 hourly
