

Community Habilitation Worker
Access: Supports for Living | Sullivan County, NY

Overview:
Access: Supports for Living is seeking a compassionate and motivated Community Habilitation Worker (Comm Hab Worker) to help individuals build independent, fulfilling lives within their communities. This role involves providing guidance, encouragement, and individualized support to help participants maintain stable housing, develop daily living skills, access community resources, and achieve their personal goals. The ideal candidate enjoys helping others, building meaningful connections, and empowering individuals to reach their highest level of independence.

Major Skills Required to Perform the Job:
Strong communication and interpersonal skills
Experience with case management or mental health services
Knowledge of community resources and support services
Strong assessment, engagement, and crisis intervention skills
Excellent organizational and documentation skills
Ability to work independently and as part of a team
Commitment to person-centered, recovery-oriented care

Requirements:
Experience working with individuals with complex behavioral health and social needs preferred
Ability to respond effectively to crisis situations
Ability to meet physical requirements, including community-based work and occasional lifting of 25 pounds or more
Benefits include paid sick leave, holidays, 401(k)/retirement, health insurance, and dental insurance.
Shift, Salary, and Benefits: Full time, $19.50 an hour
