

## **Extruder Machine Operators \* LesserEvil LLC Danbury, CT**

**Overview:** The LesserEvil LLC is seeking Extruder Machine Operators in Danbury, CT. The Extruder Machine Operators works closely with our Processing Team and Floor Supervisors to ensure that LesserEvils Factory Operations are safe, running at optimal speed and producing top quality products. In this role you will be expected to lead the processing activities for the extruder to achieve goals and produce high-quality (and delicious!) snacks.

### **Responsibilities**

Being responsible for the safe operation of their assigned production line, focusing on high-quality product and GMP compliance. This includes:

Managing the throughput on the extruder line.

Overseeing quality of the product.

The overall cleanliness of the production line.

Verifying recipes within every step of the processing production.

Proper setup, start-up of production, producing product, breakdown, and cleaning activities of the assigned production line.

The ability to operate the spray dynamic coating system when needed.

Ultimately responsible for the quality of extruded products produced on the line.

Close alignment with the QA Team on troubleshooting any nonconformities or quality concerns.

Ensuring all data and record keeping for the Processing Department is correct and submitted in a timely manner.

Communicating with upper management to give feedback on operational issues and improvements.

Utilizing a continuous improvement mindset by recommending improvements to processes and procedures.

Performing other related duties as assigned and special projects as designated.

### **Qualifications:**

High School degree or equivalent work experience  
1+ years of factory production experience, preferred  
Proficient written and verbal communication skills

Ability to:

Identify facility allergens in English

Work without direct supervision

Collaborate with different departments

Communicate with management & employees in addressing equipment issues.

Must be able to lift at least 50lbs and able to bend, lift, pull.

**Salary, Shift, and Benefits:** \$20 - \$30 hourly, this is a full-time position, Monday- Sunday, Shift Varies,  
Benefits include Medical, Dental, Vision, Life insurance, and 401k options after a 90-day waiting period.
