

Junior Planner
County of Sullivan | Sullivan County, NY

Overview:
The County of Sullivan is seeking a Junior Planner to support municipal, regional, and community planning initiatives, with an emphasis on environmental issues. This entry-level professional position involves conducting research, collecting and analyzing data, and preparing reports to evaluate the potential impacts of proposed policies, plans, and projects related to the physical development and management of the County. The position works under the general supervision of the Director of Planning and does not include supervisory responsibilities.

Major Skills Required to Perform the Job:
Strong research, data collection, and analytical skills
Ability to prepare clear, accurate reports and documentation
Knowledge of planning principles and environmental issues
Strong written and verbal communication skills
Ability to evaluate the potential impacts of proposed policies, plans, and projects
Ability to work independently and collaboratively

Requirements:
Graduation from a regionally accredited college or university, or one accredited by the New York State Board of Regents to grant degrees, with a bachelor's degree or higher in Planning, Architecture, Landscape Architecture, Civil Engineering, Environmental Studies, Geography, Biology, or a closely related field
One (1) year of experience in municipal, community, or regional planning
Salary and Benefits:
Annual salary ranges from $51,913 to $54,645.

Benefits include:
401(k)/retirement plan
Health insurance
Dental insurance
Paid vacation
Paid sick leave
