

Laborers * Fallsburg Construction Sullivan County, NY

Overview: Fallsburg Construction is seeking Laborers in Sullivan County.

A construction laborer performs physical tasks on construction sites, including site preparation, material handling, and assisting skilled trades people, while ensuring safety protocols are followed. Seeking a dependable candidate who is willing to learn and has interest in the construction industry.

Responsibilities

Clean and prepare construction sites by removing debris, hazardous materials, and obstacles to ensure a safe working environment.

Load and unload construction materials, tools, and equipment, ensuring they are stored properly and accessible to the construction team.

Support carpenters, electricians, plumbers, and other skilled workers by providing necessary tools and materials and following instructions carefully.

Safely operate basic construction machinery and tools, such as forklifts, jackhammers, and power tools, while adhering to safety protocols.

Engage in various physical tasks, including digging trenches, erecting scaffolding, and mixing concrete, and other job duties to assist in the construction process.

Skills and Qualifications

Ability to perform strenuous physical tasks and work in various weather conditions.

Understanding and adherence to safety procedures and regulations on construction sites.

Ability to effectively communicate with team members and supervisors to ensure tasks are completed efficiently.

Familiarity with hand tools and construction equipment is beneficial, though on-the-job training is often provided.

Work Environment

Construction laborers work in outdoor environments, often exposed to varying weather conditions, noise, dust, and potentially hazardous materials. The role may require working long hours, including nights and weekends, depending on project demands.

Requirements:

Driver's License and own vehicle

OR

Reliable transportation to get to beginning worksite and from ending worksite. (Worksites are throughout Sullivan County)

Shift and Salary: This is a Full-Time position Monday - Friday, 8 AM - 4:30 PM, \$15.50 hourly
