

## **Quality Inspectors \* Meyer Tool Inc. Middletown, NY**

**Overview:** Meyer Tool Inc. is seeking Quality Inspectors in Middletown, NY.

The Quality Inspector inspects production and prototype hardware using predetermined methods, operations, setups, and prescribed specifications for in-process and final inspections of machined parts and assemblies. This role continuously trains across Inspection Dept. functions to build operational capability and reports directly to the Quality Manager.

### **Primary Responsibilities:**

**Inspection & Testing:** Conduct visual and dimensional tests using calipers, gauges, micrometers, and electronic inspection equipment/software in accordance with technical specs and SOPs.

**Non-Conformance Handling:** Reject non-conforming parts/assemblies and report quality concerns to management.

**Documentation & Data Entry:** Record inspection logs, complete required forms, and enter data into the electronic quality database.

**Compliance & Standards:** Adhere to AS9100 and standard operating procedures; support supervisors with audits and compliance projects.

**Maintenance & Safety:** Help maintain and calibrate measurement equipment; maintain a safe work environment following all legal/company regulations.

**Team & Operations Support:** Crosstrain across inspection functions, assist daily production workflows, and execute other duties as assigned.

### **Requirements:**

High school diploma or equivalent.

Must meet the ITAR definition of a US Person.

Ability to interpret inspection results, work independently, and meet deadlines in a fast-paced environment.

Strong written and verbal English communication skills.

20/25 vision (natural or corrected) with close vision, depth perception, and focus adjustment abilities.

Ability to work overtime when needed.

Successful completion of a pre-employment drug test (safety-sensitive manufacturer).

MTI is a safety sensitive manufacturer. As such, successful results of pre-employment drug testing will be required.

**Physical Demands/Work Environment:**

Remain stationary; sit for long periods of time, use hand to finger, handle, feel, stand, move throughout the facility, and reach with hands and arms.

Occasionally required to traverse stairs, climb or balance and stoop, kneel, crouch, or crawl.

Frequently lift, and/or position materials up to 15 pounds and occasionally lift and/or move up to 50 pounds with or without assistance. Work in manufacturing environment and use of computer. The noise level in the work environment may be loud. Must be able to use required Personal Protective Equipment. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

**Skills required for position:**

Quality-focused mindset, strong attendance, and teamwork orientation.

Basic math skills, attention to detail, and analytical ability.

Basic computer proficiency in a PC environment.

**Shift, Salary, and Benefits:** This is a Full-time position, Mon-Fri, M-TH 5:30p-4am F3:30p, Midnight Rate: \$18-\$20/Hour + 10% shift differential, Benefits include Health Insurance, Dental Insurance, Paid Vacation, Paid Sick Leave, Holidays and 401K/Retirement.
