

Mechanic / Equipment Operator
Town of Mamakating | Sullivan County, NY

Overview

The Town of Mamakating Highway Department is seeking a dependable, skilled, and safety-conscious individual to join our team as a Mechanic / Equipment Operator.

The primary responsibility of this position is performing a variety of automotive and mechanical repairs and preventative maintenance on construction equipment, including tractors, loaders, mowers, and diesel trucks. The position also requires operating highway equipment, including snowplowing during winter operations, and assisting with road crews as departmental needs require.

Essential Duties and Responsibilities

- Performs a variety of mechanical repairs and maintenance on construction equipment, vehicles, and diesel trucks.
- Performs routine maintenance and repairs, including oil changes, brake repairs, welding, and equipment servicing.
- Installs, removes, and maintains snowplows, blades, sanders, and related highway equipment.
- Diagnoses and troubleshoots mechanical issues using appropriate tools, technology, and repair procedures.
- Operates construction and highway maintenance equipment as needed.
- Performs snow and ice removal operations during winter weather.
- May be assigned to assist road crews with highway maintenance and construction projects as departmental needs require.
- Maintains vehicles, machinery, tools, and equipment in safe and operational condition.

Required Knowledge, Skills, and Abilities

- Knowledge of gasoline- and diesel-powered engines, automotive systems, and construction equipment.
- Ability to perform mechanical repairs, welding, and preventative maintenance.
- Familiarity with tools, diagnostic technology, and safety procedures used in equipment repair.
- Ability to safely operate construction and highway maintenance equipment.
- Mechanical aptitude, troubleshooting, and problem-solving skills.
- Ability to work independently and cooperatively as part of a team.
- Dependable, motivated, and safety-conscious.

Minimum Qualifications

- Valid Commercial Driver's License (CDL), Class B.
- Minimum of two (2) years of relevant mechanical repair and/or equipment operating experience.
- Demonstrated ability to perform repairs and maintenance on diesel trucks and construction equipment.
- Satisfactory professional reference checks.
- Must provide own tools.

Salary, Schedule, and Benefits

- **Hourly Rate:** $32.01
- **Employment Status:** Full-Time
- **Schedule:** Monday through Friday, 7:00 AM – 3:30 PM.
- Additional hours may be required based on weather and departmental needs.

Benefits Include:

- Health Insurance

- Dental Insurance
- Paid Vacation and Sick Leave
- Paid Holidays
- Retirement/401(k) Benefits
- Clothing Allowance

Additional Hiring Requirements:

- Drug screening
- Physical examination
- Reference check
